

**The Victoria Law Day Organizing Committee, the Native Courtworker and Counselling Association of BC, the Victoria Bar Association, the Canadian Bar Association and partners are pleased to announce and invite you to the:**

### **The 2019 BC Provincial High School Mock Trial Competition**

#### **What is it?**

We invite you to attend the **2019 BC Provincial High School Mock Trial Competition**, on Saturday April 13<sup>th</sup>, 2019. This competition is a special event designed to provide grade 9 to 12 students with the opportunity to learn about the Canadian justice system while actively participating in a real court room simulation. All BC high schools are welcome to participate. This will be the 14<sup>th</sup> iteration of this competition.

#### **When is it?**

The competition will be taking place on **Law Day, Saturday, April 13<sup>th</sup>, 2019**. The competition is part of Law Week, a national event held annually celebrating the signing of Canada's *Charter of Rights and Freedoms*, on April 17, 1982. Originated by the Canadian Bar Association and first held in Canada in 1983, Law Week provides the public with an opportunity to learn about the law and some of the legal institutions that form the cornerstones of Canadian democracy. It also provides the legal profession with an opportunity to educate the public about the vital role lawyers and the judiciaries play in guaranteeing an open, independent and unbiased judicial system.

#### **Where is it?**

The Victoria Law Courts, at 850 Burdett Avenue. Teams will compete in real courtrooms!

#### **How is it set up?**

The event will involve **teams consisting of 6 to 8 students**. 4 students on the team will act in the role of lawyers and the remainder of students (2-4) will act in the roles of witnesses. Students may only be lawyers or witnesses; they will not be permitted to act in both roles. Teams will be permitted to bring no more than 2 alternates should they so desire (for a total of up to 10). **It is recommended that schools arrange for teams of at least 8 participants.**

Each team will act as a prosecution and as a defence team during the first two morning rounds of the competition. The initial round judges (volunteer senior lawyers), will determine which teams exhibit the best 'lawyering' skills (this could even mean that a team loses a case but demonstrates better lawyering skills). Four teams will then break to

a semi-final round, with the top two teams moving on to the finals to compete for the Provincial Mock Trial Trophy, with a real judge presiding, along with a jury comprised of local volunteer lawyers.

### **Accommodation and Transportation**

Teams are responsible for arranging their own transport and accommodation. Given the requirements of travel, some teams may need to arrive a day early or leave a day late. The tournament does not have accommodation, however, we suggest the Marriott Inner Harbour Hotel, which is not too far from the Victoria Courthouse.

### **Something Special This Year**

We are very excited that this year, the Native Courtworker and Counselling Association of BC (NCCABC) is celebrating their 45th Anniversary, and to celebrate will be catering Law Day and our competition (with delicious stew and fry bread). The NCCABC acts as a “A Helping Hand to Justice” for all Indigenous people across the province of British Columbia, providing culturally appropriate justice and health related services. We are thankful for their support and appreciative of all the work they do in our courts.

This year we have been able to significantly reduce registration costs. We have adjusted our schedule from previous years to include a Traditional Welcome to Lekwungen Territory, which will occur before the start of the first round, but after registration and the introductory briefing.

### **Method of Preparation**

Official rules, professional codes of conduct, and detailed briefs and depositions will all be made available on the DSABC website and through email to registrants on March 1, 2019. If you have any questions about any of these documents, the competition rules, or how the competition proceeds, please contact the lead organizer, Dr. Teale Phelps Bondaroff (778-678-8325, [tealepb@gmail.com](mailto:tealepb@gmail.com)).

It is then highly recommended that your team garner the assistance of a local and active courtroom lawyer to familiarize you with legal procedure and strategy. The Victoria Bar Association has generously offered to assist teams with finding a lawyer to help teams prepare for the competition. If you would like the assistance of a local lawyer to help coach and/or train your team, please contact Aesha Faux on the Law Day Committee ([afaux@victoriafamilylaw.ca](mailto:afaux@victoriafamilylaw.ca)) to get connected.

It is the competition organizers’ desire to have as widespread participation in this tournament as possible, and so if there is anything we can do to help you successfully set up and prepare your team, please let us know. The tournament is open to all high school students in BC (Grades 9 to 12), and to teams representing BC high schools. Due to limited court room space, the tournament organizers reserve the right to limit the number of teams registered per school.

Please note that registration includes a catered lunch. Please indicate any dietary restrictions of participants on the registration form, and likewise indicate the number of coaches attending with the team to we may arrange for the correct number of meals.
